
Leetsdale Industrial Park Buildings F & H

Owner

Chapman Properties

Details

Using the Butler Building System, A. Martini & Co. constructed two pre-engineered buildings for Chapman Properties at Leetsdale Industrial Park. Building H is a 92,500 square foot, \$2.4 million project that includes both office and warehouse space. Building F is a 132,000 square foot, \$3.4 million project. A. Martini & Co. constructed each project within six months.
