Details

An 18,000 square foot private residence in Nevillewood, PA.

“A. Martini & Co. did a great job coordinating and building the custom work for this home. The craftsmanship is excellent.

A. Martini & Co. constructed this 18,000 square foot private residence on two acres in an exclusive golf course community in Pittsburgh’s South Hills. Designed to resemble a Floridian villa, the house features a clay tile roof, cast stone and stucco exterior and pre-cast accents. Inside, A. Martini & Co.’s craftsmen’s work included a suspended staircase, inlaid marble floor, and custom cabinetry.
